Assessment Process

- Please contact our support staff to fill out an application or you can fill out one online here: www.gavilan.edu/welcome/index.php
- Our staff will schedule an appointment with you for an assessment and orientation session.
- Several things will happen during the assessment and orientation session. First, you will receive information about our program. Then, you will be interviewed and receive a score. Next you will discuss your options with our placement specialists to help you choose classes that meet your needs and goals.
- Schedule an appointment with Blanca Melchor, department counselor, to meet in-person at bit.ly/bmelchorap or online at bit.ly/bmelchorva.

During the first week of class, ESL instructors assess students to check that they are placed in the appropriate class. Sometimes, the assessment shows that a student is in a class that is too high or too low for their level. If this happens, the department chairs and Continuing Education Counselor discuss moving the student to another class. The team talks with the student so that any changes fit the student's goals and English level. This level adjustment happens with very few students, less than 5% per term.

Proceso de evaluación

- Comunícate con nuestro personal de apoyo para llenar la solicitud o igual, puedes llenar en línea tú mismo: www.gavilan.edu/welcome/index.php
- Nuestro personal programará una cita contigo para una sesión de evaluación y orientación.
- Varias cosas sucederán durante la sesión de evaluación y orientación. Primero, recibirás información sobre nuestro programa. Luego, serás entrevistado y calificado. A continuación, escucharas opciones junto con nuestros especialistas en colocación para ayudarte a elegir las clases que satisfagan tus necesidades y objetivos.
- Agenda tu cita con la consejera de educación continua, Blanca Melchor en persona en bit.ly/bmelchorap o en línea en bit.ly/bmelchorva.

Durante la primera semana de clases, los instructores de ESL evalúan a los estudiantes para verificar que estén inscritos en la clase adecuada. A veces, la evaluación muestra el estudiante está en una clase que es demasiado alta o baja para su nivel. Si esto sucede, los jefes de departamento y el consejero de Educación Continua analizan el traslado del estudiante a otra clase. El equipo habla con el estudiante para que cualquier cambio se ajuste a las metas y el nivel de inglés del estudiante. Este ajuste de nivel ocurre con muy pocos estudiantes, menos del 5% por trimestre.
