Sometimes, the assessment shows that a student is in a class that is too high or too low for their level. If this happens, the department chairs and Continuing Education Counselor discuss moving the student to another class. The team talks with the student so that any changes fit the student's goals and English level. This level adjustment happens with very few students, less than 5% per term.

## **Proceso de evaluación**

- Comunícate con nuestro personal de apoyo para llenar la solicitud o igual, puedes llenar en línea tú mismo: [www.gavilan.edu/welcome/index.php](http://www.gavilan.edu/welcome/index.php)
- Nuestro personal programará una cita contigo para una sesión de evaluación y orientación.
- Varias cosas sucederán durante la sesión de evaluación y orientación. Primero, recibirás información sobre nuestro programa. Luego, serás entrevistado y calificado. A continuación, escucharas opciones junto con nuestros especialistas en colocación para ayudarte a elegir las clases que satisfagan tus necesidades y objetivos.
- Agenda tu cita con la consejera de educación continua, Blanca Melchor en persona en [bit.ly/bmelchorap](http://bit.ly/bmelchorap) o en línea en [bit.ly/bmelchorva](http://bit.ly/bmelchorva).

Durante la primera semana de clases, los instructores de ESL evalúan a los estudiantes para verificar que estén inscritos en la clase adecuada. A veces, la evaluación muestra el estudiante está en una clase que es demasiado alta o baja para su nivel. Si esto sucede, los jefes de departamento y el consejero de Educación Continua analizan el traslado del estudiante a otra clase. El equipo habla con el estudiante para que cualquier cambio se ajuste a las metas y el nivel de inglés del estudiante. Este ajuste de nivel ocurre con muy pocos estudiantes, menos del 5% por trimestre.
