Introduction to Salsa & Bachata: Beginner

Learn the basic footwork for Salsa on 1. 3 separate shine patterns: the right turn, left turn, crossbody lead, inside turn, and outside turn. We will review the footwork of the leads and followers and work on the timing and musicality of traditional salsa music.

- Students must be able to stand for at least one hour with minimal breaks.
- Students should be prepared to dance and practice the footwork with different partners and rotate during class.

Johnathan Ploke - I have been dancing for about 18 months. I first started learning the Bachata and Salsa in a Circle (Rueda/Casino). My dance partner and I excelled very quickly and began to perform and demonstrate for parties and gatherings. We have won some small Jack & Jill competitions and even flew to Cuba to participate in the Worlds Salsa Congress festival and break the Guinness World Record for the Largest Simultaneous Casino Circle.

Discovering Watercolor

Welcome to the fresh face of Discovering Watercolor! Beginners and students farther along in their journey are welcome. Beginners will be lead through a process starting with simple subject matter and graduating to more complex use of color and diverse subject matter. Those joining us for the first time are welcome to purchase the starter kit for \$40, and those who have their own supplies are welcome to use those.

To begin:

- Learn about different types of brushes and their intended use and proper care
- Understand the water to pigment ratio and how to establish consistent results
- Establish a basic understanding of the different types of paper and their intended use
- Learn to use salt, alcohol, sponges, erasers, saran wrap to enhance your experience
- Become familiar with the different types of watercolor, ink, gouache, and pastel

For those farther along:

- Feel free to bring projects in progress
- Explore options you may not have considered in the past
- Or brainstorm about the direction you would like to go next
- Lastly, explore introducing aspects of mixed media into your work in subtle ways. This would include graphite infused water colors, charcoal, pastels, and much more.

Drawing Patterns From The Natural World

Learn to capture the beauty of nature through drawing! In this class, we start with simple shapes and gradually build toward more complex patterns, eventually creating full landscape and animal compositions. Whether you're a beginner or an experienced artist looking to refine your skills, this class offers a structured and creative approach to drawing nature's intricate designs.

Penny Noel is a graphic designer so she has always been interested in the visual world. She admires people that can draw well but never thought she could be one of them. After taking a course "Drawing On The Right Hand Side Of The Brain" she realized drawing was a skill just like any other skill that must be learned.

Voice Overs . . . Now Is Your Time (Ages 18 & Up)

In what could be the most enlightening webinar you've ever taken, our instructor and professional voice coach will show you how you can actually begin using your speaking voice for commercials, films, videos, and more. Most people go about it the wrong way. In this introductory class, you will learn about a unique, outside-the-box way to break into this creative, fulfilling, and potentially lucrative industry. Voice-overs can be managed on your own terms, on your own turf, in your own time, and with minimal overhead!

Whether you choose to pursue voice-overs part-time or full-time, this could be the game changer you've been looking for. In addition to online instruction, you will be given the opportunity to book a 1-on-1 script read and voice evaluation via telephone with your instructor for the following day. This class will be presented via Zoom, you will receive a link 24 hours prior to the class.

Lisa Foster's voice can be heard on commercials and narratives for such clients as: Crest Toothpaste, Olay, Cafe Appassionato, LA Weight Loss, Advanced Laser Clinics and Sleep Train.
