Assessment Process

• Please contact our support staff to fill out an application or you can fill out one online here: www.gavilan.edu/welcome/index.php
• Our staff will schedule an appointment with you for an assessment and orientation session.
• Several things will happen during the assessment and orientation session. First, you will receive information about our program. Then, you will be interviewed and receive a score. Next you will discuss your options with our placement specialists to help you choose classes that meet your needs and goals.
• Our counselor is available at every assessment event to help with any of your concerns or questions.

During the first week of class, ESL instructors assess students to check that they are placed in the appropriate class. Sometimes, the assessment shows that a student is in a class that is too high or too low for their level. If this happens, the department chairs and Continuing Education Counselor discuss moving the student to another class. The team talks with the student so that any changes fit the student's goals and English level. This level adjustment happens with very few students, less than 5% per term.

Proceso de evaluación

• Comunícate con nuestro personal de apoyo para llenar la solicitud o igual, puedes llenar en línea tú mismo: www.gavilan.edu/welcome/index.php
• Nuestro personal programará una cita contigo para una sesión de evaluación y orientación.
• Varias cosas sucederán durante la sesión de evaluación y orientación. Primero, recibirás información sobre nuestro programa. Luego, serás entrevistado y calificado. A continuación, escucharas opciones junto con nuestros especialistas en colocación para ayudarte a elegir las clases que satisfagan tus necesidades y objetivos.
• Nuestro consejero está disponible en cada evento de evaluación para ayudarte en cualquiera de tus inquietudes o preguntas.

Durante la primera semana de clases, los instructores de ESL evalúan a los estudiantes para verifican que estén inscritos en la clase adecuada. A veces, la evaluación muestra el estudiante está en una clase que es demasiado alta o baja para su nivel. Si esto sucede, los jefes de departamento y el consejero de Educación Continua analizan el traslado del estudiante a otra clase. El equipo habla con el estudiante para que cualquier cambio se ajuste a las metas y el nivel de inglés del estudiante. Este ajuste de nivel ocurre con muy pocos estudiantes, menos del 5% por trimestre.

California Motorcycle Safety Program

The Motorcycle Training course is designed for beginning and experienced riders. It consists of 2 classroom sessions and 2 riding sessions totaling approximately 16 hours, to be completed in 3 days. We offer a variety of class schedules. Motorcycle and helmet are provided. Successful completion is required by the DMV for any rider under the age of 21 seeking his or her first California motorcycle license.

Motorcycle Training classes are subject to a processing fee for rescheduling or canceling less than 2 business days prior to the start of class. Due to high demand for this class, registration fees are non-refundable once class has started or if participants fail to attend class.

Beekeeper For A Day
Be a beekeeper for a day and discover the fascinating world of the Apis mellifera, our western honey bee by learning how to be a beekeeper and sustain the honey bees. You will learn basic honey bee anatomy and biology, their caste system, and how to keep yourself protected and safe while working with the bees. You will have hands-on beekeeping experience where you will learn the hive components, essential tools, and how to inspect a colony of bees.

Sara Cutrignelli is a Master Beekeeper through the U.C. Davis California Master Beekeeper Program, Founder of Cutrignelli Fattoria Apiaries, Vice President and Co-Director of Education and Outreach for the Gilroy Beekeepers Association, and is the San Martin 4-H Beekeeping Project leader whose motto is “Learn by doing.”

Child Development

Starting Salary $47,000 per year

The Child Development program offers coursework and degrees leading to a wide range of careers with children. Students who complete the Early Childhood Education (ECE) Certificate are prepared for employment in infant / toddler centers or private preschools. The School Age Certificate prepares students for employment in before and after-school centers, and recreation programs. The Child Development Teacher Permit, which requires 16 additional units in general education beyond the certificate, allows students to teach in state or federally funded childcare and development programs.

Gavilan offers degrees for any level students would wish to teach including infants, toddlers, early childhood education - preschool & after school programs, elementary, middle & high school, and college level.

Students can now earn their AA in Early Childhood Education at Gavilan College and seamlessly transfer to the Bachelor of Science in Human Development & Family Science at CSUMB, if they follow the new 2 + 2 plan.

Computer Science and Information Systems

Median Salary $133,000 per year

The Computer Science and Information Systems program offers a wide variety of classes that prepare students for exciting career opportunities. Our program is designed to provide students with a foundation for career and professional success in:

- Coding
- Microsoft Office
- Desktop Publishing
- Keyboarding Skills
- Programming
- Web Page Design
- Computer Repair
- Networking
- UNIX/Windows Operating Systems

As you may have seen in news reports, there are currently 500K open technology jobs but universities are only producing one-tenth that number of computer science graduates. At any given time, tech companies have thousands of job openings across the US, but like others in the industry, they can’t always find enough candidates with the right mix of technology skills to fill all of those positions.

The Associate in Science in Computer Science for Transfer Degree (AS-T in Computer Science) has been established to assist students in seamlessly transferring from Gavilan College to a California State University (CSU), with the objective of pursuing a baccalaureate degree in computer science.

To register for these classes, apply online 24/7 at www.gavilan.edu/admit/apply.php or follow the instructions under Career Education on page 40.

For more information on the program and classes, email CareerEd@gavilan.edu.
Earn up to $113,122 per year

2 + 2 Plan for Students Transferring to the CIM Program at Chico State

Earn your AA in General Business at Gavilan College and earn your BS in Concrete Industry Management at Chico State. Transfer students can finish the CIM program in just 2 years!

The Concrete Industry Management (CIM) program at CSU, Chico is one of only four CIM programs in the United States - combining the academic disciplines of concrete technology with business administration. Graduates from the program are well prepared to be effective managers of the people, systems, and projects within the large and thriving concrete industry.

To register for these classes, apply online 24/7 at www.gavilan.edu/admit/apply.php or follow the instructions under Career Education on page 40.

For more information on the program and classes, email CareerEd@gavilan.edu.
